## **SUPERVISED RELEASE**

The defendant's Supervised Release shall be extended to January 15, 2009 with additional conditions.

While on supervised release, the defendant shall not commit another Federal, state, or local crime and shall comply with the standard conditions that have been adopted by this court (set forth on the following page.) If this judgment imposes a restitution obligation, it shall be a condition of supervised release that the defendant pay any such restitution that remains unpaid at the commencement of the term of supervised release. The defendant shall comply with the following additional conditions:

1. The defendant shall submit to testing to detect the presence of a controlled substance or other prohibited substance in the defendant's bodily fluids in order to determine whether the defendant has consumed, or reverted to use of, any prohibited substance. To implement this condition, the time, place and manner of testing are to be approved by the probation officer.
2. Paragraph #8 of the Standard Conditions of Supervision is modified, i.e., instead of merely refraining from excessive use of alcohol, the defendant shall not purchase, possess, use, distribute or administer any alcohol. For the purpose of this condition, alcohol will be considered just the same as a narcotic or controlled substance.
3. The defendant shall be subject to the search of the defendant's premises, vehicle or person, day or night, with or without a warrant, by a federal probation officer in supervision of the defendant, to determine the presence of any controlled substance, firearm or any other contraband. Any such items found may be seized by the United States Probation officer. This condition may be invoked with or without the cooperation of law enforcement officers.
4. The defendant shall attend, pay for and successfully complete diagnostic evaluation, treatment or counseling program, and shall become a member of a support group (e.g., AA/NA) regarding alcohol and/or controlled substance abuse. To implement this condition, the particular diagnostic evaluation, counseling, treatment and support group are to be approved by the probation officer.
5. The defendant is prohibited from incurring new credit charges or opening additional lines of credit without prior written approval of the United States Probation officer.
6. The defendant shall provide the United States Probation officer with access to any requested financial information.

### **SUPERVISED RELEASE - CONTINUED**

7. Pursuant to 18 U.S.C. § 3583(d), the defendant shall submit to a drug test within fifteen (15) days of release from the place of the defendant's imprisonment and shall submit to at least two (2) periodic drug tests thereafter to determine whether the defendant is using a controlled substance. Further, the defendant shall submit to additional testing to detect the presence of any controlled substance in the defendant's body fluids or determine whether the defendant has used any controlled substance. The defendant shall pay for the collection of urine samples to be tested for the presence of a controlled substance. To implement this condition, the time, place and manner of testing are to be approved by the probation officer.
8. The defendant shall participate in the District's Cognitive Thinking Group as directed.
9. The defendant shall attend a public, private or private nonprofit offender rehabilitation program that has been approved by the probation officer, in consultation with a State Coalition Against Domestic Violence or other appropriate experts, as directed.
10. The defendant shall report to the Supervision Unit of the United States Probation Office for the District of Nebraska between the hours of 8:00 a.m. and 4:30 p.m., 111 South 18th Plaza, Suite C79, Omaha, Nebraska, (402) 661-7555, within seventy-two (72) hours of release from confinement.
